

Chart Variable Descriptions

	Figure Title	Variable Names	Descriptions
Demographic / Income	Demographic /Social (%)	Sex ratio	Sex ratio (males per 100 females)
		Median age	Median age (years)
		Veterans	Percentage of civilian veterans among the population who are 18 years and over
		Foreign-born, non-U.S. citizen	Among foreign-born population, a percentage of the people who are not a U.S. citizen
		Language at home not English	Language spoken at home is other than English
		English Proficiency less than very well	Language spoken at home is other than English and people speak English less than very well (a survey based on four multiple choices: "Very well", "Well", "Not well", or "Not at all")
	Demographic -Race (%)	White	White without Hispanic or Latino origin
		Black	Black or African American without Hispanic or Latino origin
		Asian	Asian without Hispanic or Latino origin
		2+ races	Two or more races without Hispanic or Latino origin
		American Indian / Alaska Native	American Indian and Alaska Native without Hispanic or Latino origin
		Native Hawaiian / Pacific Islander	Native Hawaiian and Other Pacific Islander without Hispanic or Latino origin
		Hispanic or Latino	Hispanic or Latino origin of any race
	Income Distribution (%)	< \$25k	Less than \$25,000
		25k - 35k	\$25,000 to \$34,999
		35k - 50k	\$35,000 to \$49,999
		50k - 75k	\$50,000 to \$74,999
		75k - 100k	\$75,000 to \$99,999
		100k - 150k	\$100,000 to \$149,999
		\$150k +	\$150,000 or more
	Income /Income Gap (\$)	Median income	Median household income
		Median Income Female , no spouse with child	Median income for families with female householder, with no spouse present and with own children under 18 years
		Median Income Male, no spouse with child	Median income for families with male householder, with no spouse present and with own children under 18 years
		Gender Median Income Gap Male - Female	Median earning gap between male and female population who are 25 years and above
	Poverty /Income Gap (%)	With Food Stamp/SNAP	Households with Food Stamp/SNAP benefits in the past 12 months
		Below poverty level (family)	Percentage of families whose income in the past 12 months is below the poverty level
		Below poverty level (people)	Percentage of people whose income in the past 12 months is below the poverty level
Gini		Gini coefficient	

	Figure Title	Variable Names	Descriptions
Employment / Education	Median Income by Race (\$)	White	Median household income by race and ethnicity of householder: White, not Hispanic or Latino origin
		Black	Median household income by race and ethnicity of householder: Black or African American, not Hispanic or Latino origin
		Asian	Median household income by race and ethnicity of householder: Asian, not Hispanic or Latino origin
		2+ races	Median household income by race and ethnicity of householder: Two or more races, not Hispanic or Latino origin
		Hispanic or Latino	Median household income by race and ethnicity of householder: Hispanic or Latino origin (of any race)
	Unemployment (%)	Overall	Unemployment rate
		White	Unemployment rate: White, not Hispanic or Latino origin
		Black	Unemployment rate: Black or African American, not Hispanic or Latino origin
		Asian	Unemployment rate: Asian, not Hispanic or Latino origin
		2+ races	Unemployment rate: Two or more races, not Hispanic or Latino origin
		Hispanic	Unemployment rate: Hispanic or Latino origin of any race
		Male	Unemployment rate: Male
Female		Unemployment rate: Female	
Female with children		Unemployment rate: Female with own children under 18 years	
Poverty		Unemployment rate: Poverty status in the past 12 months is below the poverty level	
Disability	Unemployment rate: People with disability		
Occupation Types (%)	Management, Business, Science, Arts	Management, business, science, and arts occupations	
	Service	Service occupations	
	Sales and Office	Sales and office occupations	
	Natural Resources, Construction, and Maintenance	Natural resources, construction, and maintenance occupations	
	Production, Transportation, and Material Moving	Production, transportation, and material moving occupations	
Employment Industries (%)	Agriculture...	Agriculture, forestry, fishing and hunting, and mining	
	Construction	Construction	
	Manufacturing	Manufacturing	
	Wholesale...	Wholesale trade	
	Retail trade	Retail trade	
	Transportaion...	Transportation and warehousing, and utilities	
	Information	Information	
	Finance...	Finance and insurance, and real estate and rental and leasing	
	Science...	Professional, scientific, and management, and administrative and waste management services	

	Figure Title	Variable Names	Descriptions
		Education	Educational services, and health care and social assistance
		Arts, Enter...	Arts, entertainment, and recreation, and accommodation and food services
		Public	Public administration
	Employment Types (%)	Private wage and salary workers	Private wage and salary workers
		Government workers	Government workers
		Self-employed	Self-employed in own not incorporated business workers
		Unpaid family workers	Unpaid family workers
	Educational Attainment (%)	< 9th grade	Less than 9th grade in the population 25 years and over
		9-12th grade, no diploma	9th to 12th grade, no diploma, in the population 25 years and over
		High school	High school graduate (includes equivalency) in the population 25 years and over
		College dropouts	Some college, no degree, in the population 25 years and over
		Associate's	Associate's degree in the population 25 years and over
		Bachelor's	Bachelor's degree in the population 25 years and over
		Graduate degree	Graduate or professional degree in the population 25 years and over
	Earnings by Education (\$)	< High school	Median earnings in the past 12 months (in 2019 inflation-adjusted dollars) for population with less than high school graduate
		High school	Median earnings in the past 12 months (in 2019 inflation-adjusted dollars) for population with high school graduate (includes equivalency)
		College/associate's	Median earnings in the past 12 months (in 2019 inflation-adjusted dollars) for population with some college or associate's degree
		Bachelor's	Median earnings in the past 12 months (in 2019 inflation-adjusted dollars) for population with bachelor's degree
		Graduate	Median earnings in the past 12 months (in 2019 inflation-adjusted dollars) for population with graduate or professional degree
	Education by Race (Bachelor's or higher, %)	White	White, not Hispanic or Latino origin, with bachelor's or higher
		Black	Black, not Hispanic or Latino origin, with bachelor's or higher
		Asian	Asian, not Hispanic or Latino origin, with bachelor's or higher
		2+ races	Two or more races, not Hispanic or Latino origin, with bachelor's or higher
Hispanic or Latino		Hispanic or Latino origin of any race with bachelor's or higher	
Field of Bachelor's Degree (%)	Science and Engineering	Percentage of population holding Science and Engineering degree among total population 25 years and over with a Bachelor's degree or higher	
	Science and Engineering Related	Percentage of population holding Science and Engineering Related degree among total population 25 years and over with a Bachelor's degree or higher	

	Figure Title	Variable Names	Descriptions
		Business	Percentage of population holding Business degree among total population 25 years and over with a Bachelor's degree or higher
		Education	Percentage of population holding Education degree among total population 25 years and over with a Bachelor's degree or higher
		Arts, Humanities and etc.	Percentage of population holding Arts, Humanities and Others degree among total population 25 years and over with a Bachelor's degree or higher
Housing	Housing Continuity (%)	Residence 1 yr ago Different	Residence 1 year ago: Different house in the U.S.
		Residence 1 yr ago Abroad	Residence 1 year ago: Abroad
	Housing Vacancy (%)	Vacant units	Vacant housing units
		Homeowner vacancy	Homeowner vacancy rate
		Rental vacancy	Rental vacancy rate
	Housing Ownership (%)	Owner-occupied	Owner-occupied in occupied housing units
		Renter-occupied	Renter-occupied in occupied housing units
	Housing Facilities (%)	No vehicles available	No vehicles available in occupied housing units
		Lacking plumbing	Lacking complete plumbing facilities in occupied housing units
		Lacking kitchen	Lacking complete kitchen facilities in occupied housing units
		No telephone	No telephone service available in occupied housing units
	Housing Cost I - SMOCAPI with mortgage (%)	<20%	Selected monthly owner costs as a percentage of household income (SMOCAPI) for housing units with a mortgage (excluding units where SMOCAPI cannot be computed): Less than 20.0 percent
		20-30%	Selected monthly owner costs as a percentage of household income (SMOCAPI) for housing units with a mortgage (excluding units where SMOCAPI cannot be computed): 20.0 to 29.9 percent
		30-35%	Selected monthly owner costs as a percentage of household income (SMOCAPI) for housing units with a mortgage (excluding units where SMOCAPI cannot be computed): 30.0 to 34.9 percent
		35% over	Selected monthly owner costs as a percentage of household income (SMOCAPI) for housing units with a mortgage (excluding units where SMOCAPI cannot be computed): 35.0 percent or more
	Housing Cost II - SMOCAPI without mortgage (%)	<10%	Selected monthly owner costs as a percentage of household income (SMOCAPI) for housing units without a mortgage (excluding units where SMOCAPI cannot be computed): Less than 10.0 percent
		10-30%	Selected monthly owner costs as a percentage of household income (SMOCAPI) for housing units without a mortgage (excluding units where SMOCAPI cannot be computed): 10.0 to 29.9 percent

	Figure Title	Variable Names	Descriptions	
		30-35%	Selected monthly owner costs as a percentage of household income (SMOCAPI) for housing units without a mortgage (excluding units where SMOCAPI cannot be computed): 30.0 to 34.9 percent	
		35% over	Selected monthly owner costs as a percentage of household income (SMOCAPI) for housing units without a mortgage (excluding units where SMOCAPI cannot be computed): 35.0 percent or more	
	Housing Cost III - GRAPI (%)	<15%	Gross rent as a percentage of household income (GRAPI) for occupied units paying rent (excluding units where GRAPI cannot be computed): Less than 15.0 percent	
		15-30%	Gross rent as a percentage of household income (GRAPI) for occupied units paying rent (excluding units where GRAPI cannot be computed): 15.0 to 29.9 percent	
		30-35%	Gross rent as a percentage of household income (GRAPI) for occupied units paying rent (excluding units where GRAPI cannot be computed): 30.0 to 34.9 percent	
		35% over	Gross rent as a percentage of household income (GRAPI) for occupied units paying rent (excluding units where GRAPI cannot be computed): 35.0 percent or more	
	Insurance / Disability / Internet / Etc	Household Type I (%)	Married-couple family	Married-couple family
			Cohabiting couple	Cohabiting couple household
			Household with < 18 years	Households with one or more people under 18 years
			Household with > 65 years	Households with one or more people 65 years and over
Grandparents responsible for grandchild			Among grandparents living with own grandchildren under 18 years, a percentage of grandparents responsible for grandchildren	
Household Type II (%)		Male, no spouse/partner	Male householder, no spouse/partner present	
		Male, sole parent	Male householder, no spouse/partner present, living with own children of the householder under 18 years	
		Male, living alone	Male householder, no spouse/partner present, living alone	
		Male, living alone, > 65	Male householder, no spouse/partner present, living alone and 65 years and over	
		Female, no spouse/partner	Female householder, no spouse/partner present	
		Female, sole parent	Female householder, no spouse/partner present, living with own children of the householder under 18 years	
		Female, living alone	Female householder, no spouse/partner present, living alone	
		Female, living alone, > 65	Female householder, no spouse/partner present, living alone and 65 years and over	
Enrollment (%)	Elementary school (1-8)	Among population 3 years and over enrolled in school, a percentage of people enrolled in elementary school (grades 1-8)		
	High school (9-12)	Among population 3 years and over enrolled in school, a percentage of people enrolled in high school (grades 9-12)		

	Figure Title	Variable Names	Descriptions
		College or graduate school	Among population 3 years and over enrolled in school, a percentage of people enrolled in college or graduate school
	Health Insurance / Disability (%)	With health insurance	With health insurance coverage
		Disability	Percent with a disability
	Disability by Race (%)	White	Percent with a disability: White, not Hispanic or Latino origin
		Black	Percent with a disability: Black or African American, not Hispanic or Latino origin
		Asian	Percent with a disability: Asian, not Hispanic or Latino origin
		2+ races	Percent with a disability: Two or more races, not Hispanic or Latino origin
		Hispanic or Latino	Percent with a disability: Hispanic or Latino (of any race)
	Disability Types (%)	Hearing	With a hearing difficulty
		Vision	With a vision difficulty
		Cognitive	With a cognitive difficulty
		Ambulatory	With an ambulatory difficulty
		Self-care	With a self-care difficulty
		Independent living	With an independent living difficulty
	Computer/ Internet (%)	With a computer	With a computer
		Broadband Internet	With a broadband Internet subscription
		No Internet < 18 years	Percent without an Internet Subscription in household: under 18 years
		No Internet 18 - 64	Percent without an Internet Subscription in household: 18 to 64 years
		No Internet > 65	Percent without an Internet Subscription in household: 65 years and over
		No Computer < 18 years	Percent no computer in household: under 18 years
		No Computer 18 - 64	Percent no computer in household: 18 to 64 years
		No Computer > 65	Percent no computer in household: 65 years and over
	Commuting	Drove alone (%)	Commuting to work: Using car, truck, or van - drove alone
		Carpooled (%)	Commuting to work: Using car, truck, or van - carpooled
		Public transportation (%)	Commuting to work: Using public transportation (excluding taxicab)
		Walked (%)	Commuting to work: Walking
		Work from home (%)	Commuting to work: Working from home
		Travel time to work (minutes)	Commuting to work: Mean travel time to work (minutes)
